

Account Register, KYC & DID Creation - Yidindji SSID

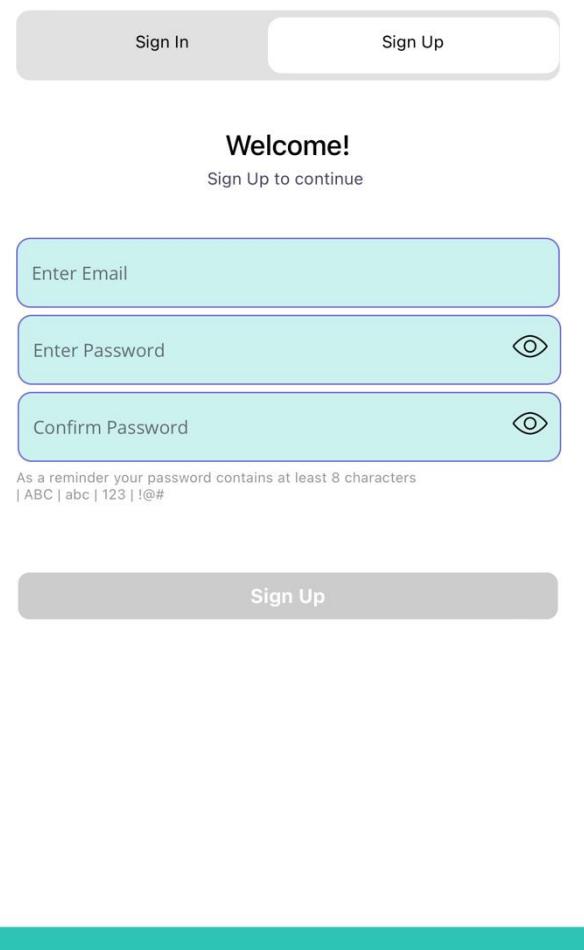

*Note

Always make sure that you are using latest version of the App to avoid any issue.

Step 1: (Sign Up)

Open Yidindji SSID app and click on **Sign Up** toggle button.

Fill your details and click on **Sign Up**.

The screenshot shows the sign-up interface for the Yidindji SSID app. At the top, there is a navigation bar with 'Sign In' and 'Sign Up' buttons. Below the navigation bar, the text 'Welcome!' is displayed, followed by 'Sign Up to continue'. The form consists of three input fields: 'Enter Email', 'Enter Password', and 'Confirm Password'. Each password field includes an 'eye' icon for password visibility. A note below the fields states: 'As a reminder your password contains at least 8 characters | ABC | abc | 123 | !@#'. At the bottom of the form is a large 'Sign Up' button.
